Membership Renewal (2025) Renouvellement d'Adhésion

Dear CSHPM/SCHPM Member:

Once again, it is time to renew your CSHPM/SCHPM membership as well as reciprocal memberships and journal subscriptions. **We encourage you to renew and pay on-line** at www.cshpm.org. However, if you prefer to use postal mail, you may use the membership form (also attached or available on the website). Since our membership year is January-December, it is most helpful to both the Secretary and the Treasurer if renewals are submitted no later than **mid-January**. Please note that journal subscription requests must be received no later than **March 1**. **The publishers will not accept group orders at the discounted rate after that date.**

The cost of membership in CSHPM/SCHPM as well as the cost of reciprocal memberships in BSHM and CSHPs, are the same as last year, as is the price of the *Annals*. There are increases in the prices of *Historia*, *Philosophia*, and *SCIAMVS*. The exchange rates between US and Canadian currencies differ only slightly from last year.

A reminder: The default method for distribution of the *Bulletin* is electronic. **Therefore, if you wish to receive a paper copy by mail, please check the appropriate line on the membership form.**

Your membership is an important statement in itself, but there are more substantial benefits:

- A discounted rate on *Historia Mathematica*, *Philosophia Mathematica*, and *SCIAMVS* (www.sciamvs.org)
- *CSHPM/SCHPM Bulletin*
- A discounted rate for reciprocal memberships in BSHM and CSHPs
- A variety of on-line resources on the World Wide Web, at www.cshpm.org

Our 2025 Annual Meeting will be part of Congress of the Federation of the Social Sciences and Humanities. This meeting will be in-person at George Brown College, Toronto, May 31-June 2. See the *Bulletin* and our web site (www.cshpm.org) for further information.

IF YOU JOINED CSHPM THROUGH BSHM OR CSHPs, you may renew your CSHPM membership through your host society. Please note that you will receive the *Bulletin* electronically unless you explicitly request a paper copy.

Should you prefer to renew by postal mail, complete the appropriate area of the form on the reverse side as well as the final part of the form. **Please remember to fill in your name and email address.** Complete the other fields **only if there are changes**. Send the form, and your payment by US or Canadian dollar cheque or money order (payable to Canadian Society for History and Philosophy of Mathematics) to the Secretary at the address on the form.

Best wishes,
Patricia Allaire
